

U-ONE 2000

CASH-IN – MOST COMPACT and SECURE up to 2000 BANKNOTES

Compact Smart Safe deposit system with U-ONE single note (2bn/s) validator and capacity to store up to 2000 semi-stacked banknotes in a security bag with 6mm Strong Box safe.

Protected by an exclusive, secure and innovative anti-tampering system U-GO SECURITY BOX

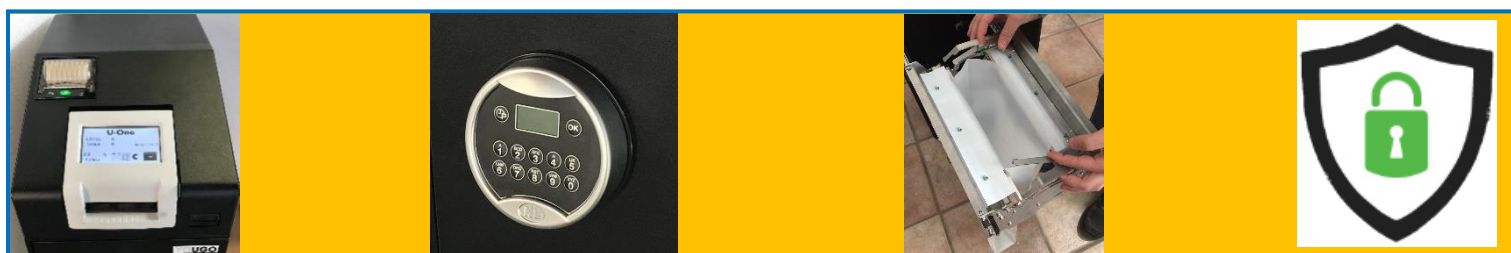

Thanks to his ergonomics and his strength, the U-ONE 2000 is the ideal product to be installed under the cash desk or where the space is little but there is the necessity to store up to 2000 banknotes.

The U-ONE 2000 is compact and able to solve active and passive security tasks on the data transmission: From the top side there are integrated the Validator and the innovative U_GO SECURITY BOX. This makes the system anti-tampering. Furthermore, the top console touchscreen is integrated in the 6 mm strong box safe.

The U-ONE 2000's Strong Box can be equipped with an Electrical Lock with OTP system –Dynamic Code by Smartphone to open the safe function that, in cases of CIT's security password loss the operations center can retrieve it by phone.

U-ONE 2000, like all Yougo's Cash-In is equipped with a Validator ECB certified – design by Yougo. The device is also equipped with an IoT - PC board to monitoring the device remotely by Yougo Camaleonte platform.
