

U-BUNDLE 4000 – SMART – FREE FALL

FAST SPEED CASH-IN – BUNDLE - MOST COMPACT – MOST SECURE

The Fast Bundle Smart Safe deposit system with a Bundle note (5-6 bn/s) validator and capacity to store up to 4000 FREE-FALL banknotes in a security bag with 6mm Strong Box safe.

U-BUNDLE 4000 SMART is with an “IoT system” that can be easily connected remotely by LAN.

U-BUNDLE 4000 SMART keeps all the innovative Yougo technologies, high performance and strong security but with an eye to a market which requires simple configurations.

Yougo introduces U-Bundle 4000 SMART that combines Yougo best technology in speed, ergonomics and strength. The U-BUNDLE 4000 SMART is the ideal product for fast deposit thanks to the proven Yougo bundle deposit system. The U-BUNDLE 4000 SMART has been designed to be installed where the space is little but there is the necessity to store up to 4000 banknotes.

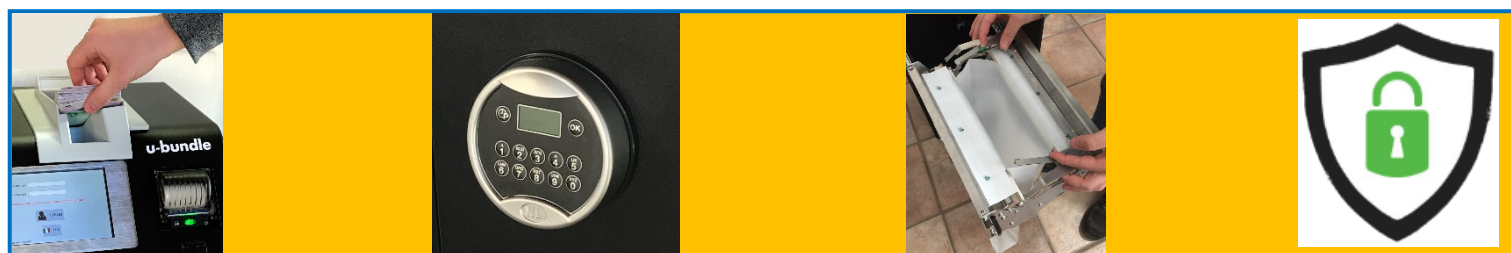

U-BUNDLE 4000 SMART comes from the U-BUNDLE series that has been successfully sold in thousands of units in the world.

The U-BUNDLE 4000 SMART is compact and able to solve active and passive security tasks on the data transmission: From the top side there are integrated the Validator and the innovative U_GO SECURITY BOX (Special Option). This makes the system anti-tampering.

U-BUNDLE 4000 SMART, like all Yougo's Cash-In, is equipped with a Validator ECB certified – design by Yougo.

The system is equipped with an IoT - PC board to monitor the device remotely by Yougo Camaleonte platform.
